

# SPACIFIC 3649 CHANDELIER

## PRESS RELEASE

FOR IMMEDIATE RELEASE

### PRODUCT DESCRIPTION

The Spacific consists of 10 and 7 foot diameter LED illuminated arcs stacked to fill a vertical office atrium space in Southern California. Custom-designed Homespun fabric sides and ivory acrylic bottom diffusers glow, welcoming in their dramatic concentric embrace.

### PRODUCT APPLICATION

Ballrooms and other large commercial spaces

### CONSTRUCTION & FINISHES

- Powder coat painted steel frame, acrylic bottom diffuser, fabric on styrene side diffuser
- (2) 10 ft and (2) 7 ft diameter arcs
- LED lamping

**DESIGNED BY** Fire Farm with Creative Design Consultants

**MANUFACTURED & DISTRIBUTED IN THE USA BY** Fire Farm, Inc.

### ABOUT THE COMPANY

Fire Farm Lighting is a custom lighting design and manufacturing company. In addition to a pre-designed product line, we provide complete creative and fabrication services to conceptualize and execute original designs. Using an ever-expanding variety of materials and processes, we make lights to define space and create exciting environments. We make light to live by.

### KEY FEATURES

- Made in the USA
- Clear, concise installation instructions and efficient design translate to an easier, faster, reliable assembly and lower contractor installation costs
- Energy-efficient LED lamping
- Fixture also uses no-VOC paint and high-recycle content steel, contributing to LEED certification
- Custom sizing and finishing available
- UL Listed
